## DAR EL VER

Also known as:

AFGHAN SUPPORT COMMITTEE (ASC)

SUPPORT COMMITTEE

ASSOCIATION POUR LE RENOUVEAU DU PATRIMOINE ISLAMIQUE

According to the US Treasury Department, the AFGHAN SUPPORT COMMITTEE/ASC is a non-governmental organization established by OUSAMA BIN LADEN. The ASC is a purported charity, operated by soliciting donations from local charities in Arab countries, in addition to fundraising efforts conducted at its headquarters in Jalalabad, Afghanistan, and subsequently in Pakistan. The ASC falsely asserted that the funds collected were destined for widows and orphans. In fact, the financial chief of the ASC served as a key leader of organized fundraising for BIN LADEN. Rather than providing support for widows and orphans, funds collected by the ASC were turned over to al-Qaida operatives.

ABU BAKR AL-JAZIRI, the finance chief of ASC, also served as the head of organized fundraising for BIN LADEN. AL-JAZIRI collected funds for al-Qaida in Jalalabad through the ASC. He also collected money for al-Qaida from local Arab NGOs by claiming the funds were for orphans and widows. AL-JAZIRI then turned the funds over to al-Qaida operatives. In 2002, he moved from Jalalabad to Pakistan where he continued to raise and transfer funds for al-Qaida. On January 9, 2002, the US designated the ASC as an al-Qaida supporting entity<sup>8</sup>.

According to IP Algiers, this organization has different names according to the country where its office is located. For example, it is called DAR EL VER in Bosnia and SUPPORT COMMITTEE in Afghanistan and Pakistan. This organization also has an office in Tirana, Albania. Several of its members were under investigation in connection with terrorism (no names were provided)<sup>9</sup>.

## HOLY LAND FOUNDATION FOR RELIEF & DEVELOPMENT

The HOLY LAND FOUNDATION/HLF is a non-profit tax-exempt charity organization established in 1989 in Los Angeles, California as the OCCUPIED LAND FUND. In 1991, it changed its name to HLF and moved to Richardson, Texas in 1993. In addition to its Texas headquarters, it operates several offices in California, Illinois, and New Jersey. HLF calls itself the nation's largest Islamic charity<sup>14</sup>.

HLF raises millions of dollars annually that is used by Hamas (in 2000, HLF raised over 13 million USD). HLF supports Hamas activities through direct fund transfers to its offices in the West Bank and Gaza. HLF funds are used by Hamas to support schools that serve Hamas ends by encouraging children to become suicide bombers and to recruit suicide bombers by offering support to their families<sup>15</sup>.

The HLF has also been under investigation by several government agencies in the USA. In 1997, Israel banned the Jerusalem based HLF as a Hamas front group. The same year, Israel raided the group's headquarter and seized documents that allegedly linked the Jerusalem office with the HLF in the USA. Israel also arrested HLF/Jerusalem manager, MOHAMMED OTHMAN, alias RAHMAN ANATI, for purportedly distributing monthly stipends to families of Hamas suicide bombers. According to Israel, most of the money OTHMAN distributed was raised by the HLF office in Texas. HLF representatives do not deny the fact that it gives money to the family of Hamas activists but claim that the money was given on the basis of need and not the political affiliation of the deceased<sup>16</sup>.

This foundation had its assets frozen in December 2001. In December 2002, GHASSAN ELASHI, director of HLF (EP 2003/5693) was arrested and charged for selling computers and computer parts to Libya and Syria, both designated as sponsors of terrorism<sup>17</sup>. According to open source information, GHASSAN ELASHI ran an Internet service provider called INFOCOM CORPORATION which was raided by the FBI. The owner is BAYAN ELASHI, GHASSAN ELASHI's brother.

The HLF was dissolved in 2002 and is currently listed as inactive<sup>18</sup>.

Listed members (all dates of birth are unknown):

- MOHAMMED ELMEZAYEN
- SHUKD ABU-EATER
- GHASSAN ELASHI
- AHMAD AGHA
- SHUKRI A BAKER

According to Interpol Washington, it seems that SHUKRI A BAKER and SHUKD ABU-EATER is the same person.

## MAKTAB EL KHADAMET

The charitable organization MAKHTAB AL KHIDAMAT/MAK was founded as a recruiting office by Palestinian Muslim Brotherhood leader ABDULLAH AZZAM and OSAMA BIN LADEN in the 80's and served as the precursor organization to al Qaida.

The organization helped funnel fighters and money to the Afghan resistance in Peshawar, Pakistan, and established recruitment centers worldwide to fight the Soviets. AZZAM, who served as a mentor to BIN LADEN, was killed in 1989. He is also regarded as a historical leader of HAMAS.

MAK advertised all over the Arab world for young Muslims to come fight in Afghanistan and set up branch recruiting offices all over the world, including in the US and Europe<sup>26</sup>.

Al Qaida itself sprung from MAK. In the US indictment of al Qaida and BIN LADEN for the 1998 US Embassy bombings in East Africa, the government noted that Al Qaida grew out of the "MEKHTAB AL KHIDEMAT" organization which had maintained offices in various parts of the world, including Afghanistan, Pakistan (particularly in Peshawar) and the USA, particularly at the Alkifah Refugee Center in Brooklyn, New York<sup>27</sup>. MAK was designated in Executive Order 13224 and was subsequently included on the UN 1267 Sanctions Committee's consolidated list<sup>28</sup>.

According to IP Algiers, during the conflict in former Yugoslavia, this organization was responsible for the transfer of Radical fundamentalist volunteers, trained in camps located in Afghanistan and Pakistan, in Bosnia and in Croatia. According to unconfirmed information, this organization now has an office in Sarajevo, Bosnia<sup>29</sup>.

- **WA'EL HAMZA JALAIKAN**
- **ADEL MUHAMMAD SADIQ BIN KAZEM.**

**WA'EL HAMZA JALAIKAN**, Saudi national, is often referred to as a co-founder of Al Qaeda. Though well known for his extremist views, he has also made a career as a Saudi functionary, for instance, as the director of a financial arm of the Saudi sponsored World Muslim League called the Rabita Trust <sup>42</sup>.

Analyst's note: **WA'EL HAMZA JALAIKAN** is most likely identical to **WAEEL JULEKAN** mentioned in connection with **AYADI CHAFIK** (see booklet 2) and recorded in our database in connection with **BIN LADEN**.

It is of interest to note that one of the September 11<sup>th</sup> hijackers, **ABDULAZIZ AL OMARI**, also held an account in this bank. **SULAIMAN ABDULAZIZ AL-RAJHI** and his family are the primary financiers of the **SAAR FOUNDATION** raided for its ties to terrorism and Al Qaeda. He has been closely linked to **BIN LADEN's** personal secretary, **WADIH EL-HAGE**<sup>43</sup>.

## SAUDI HIGH COMMISSION RELIEF

The SAUDI HIGH COMMISSION FOR RELIEF, a humanitarian organization was founded in 1993 by SELMAN BIN ABDUL-AZIZ<sup>45</sup>. It was supported by King Fahd to help children orphaned during the 1992-1995 war in Bosnia.

The organization has reportedly spent some 600 million USD in post-war aid for mosques, cultural centers, schools, and orphanages in the country. According to a senior US official, however, millions of dollars of these funds were missing and could not be accounted for. In October 2001, NATO investigators found material for making State Department ID Cards and fake credit cards; before-and-after photographs of the World Trade Center, US embassies in Kenya and Tanzania, the USS Cole and maps of government buildings in Washington in the office of the SAUDI HIGH COMMISSION FOR RELIEF (as well as instructions of the use of crop duster aircraft). The list of items found also included anti-Semitic and anti-US material for children. An operative (no name was provided) was arrested carrying documents that proved Saudi funding of the Hamas terrorist group to enable it to produce a short-range missile called Qassam<sup>46</sup>.

According to IP Algiers, this Saudi organization is one of the most powerful NGOs in the Balkan, due to its significant funds and it was strongly involved in the transfer of Radical fundamentalist volunteers to Bosnia during the conflict in Former Yugoslavia<sup>47</sup>.

### Additional information concerning Qassam rockets

It is a "primitive" artillery rocket with an estimated range of up to 8 kilometers (5 miles), developed by the Hamas. It is propelled by a mixture of sugar, oil, alcohol and fertilizer. These are quick, easy to produce and are used by the Hamas, military wing against Israel<sup>48</sup>, called EZZ EDDINE AL QASSAM<sup>49</sup>.
